CHARITY

2nd Annual Georgia Veteran's Charity Golf Tournament

A WORD FROM GRATEFUL AMERICANS CHARITY:

Our mission is providing resources that support programs aimed at ending Veteran suicide and homelessness, combating the invisible wounds of war.

Since founded in 2016, Grateful Americans Charity has raised more than \$2.3 Million to serve our Veterans. With your help, we can continue to increase contributions in 2023, saving even more lives, supporting Veterans and their families.

The PTSD Foundation of America (ptsdusa.org), and it's Georgia Chapter, will be this year's beneficiary. The PTSD Foundation of America is providing critical intervention programs for Veterans while they rebuild their lives. The Foundation has over 200 Warrior groups and 45 Family groups around the country, serving thousands of combat Veterans and their families every year. The intensive residential program at Camp Hope provides a more comprehensive peer support and mentoring based healing. Camp Hope, located in Houston, provides residential and temporary housing for combat Veterans in need. Veterans are guided through the program by certified combat trauma mentors who have completed and successfully graduated from the program themselves.

The PTSD epidemic continues to increase. After combat Veterans return home, it can take years for the unseen wounds of war to surface, along with the debilitating effects of PTSD.

We thank you for your support in raising awareness and providing resources for Veterans combating PTSD.
